# The Freedom Guide For Music Creators

## Synopsis

Music business basics -- that's what musicians can quickly get from *The Freedom Guide for Music Creators*! Information about copyright -- including how musicians can protect their songs from theft, how musicians can cover others' work legally, and how musicians make money from their songs! Also, *The Freedom Guide for Music Creators* covers how musicians can find tons of free legal music to use in their projects, free and low-cost ways to promote their music online. In addition, *The Freedom Guide* covers record deals, and how NOT to get ripped off, along with the long history that musicians need to understand in order to make the decision to fight for their rights and stay independent if they choose! Less than 100 pages, too -- musicians can get the information they need and get on with their work!
