Customer Reviews

Okay, I have to confess I'm giving this 5 stars based on the 2015 Cat Calendar. And now another confession: I loved the cat photos so very much that I just flipped it right around and am following it again through 2016. Yes, the dates and days are off, but there you have it. The glossy card stock and print quality are excellent. The only thing less than stellar are the daily "thoughts" about cats, but they're easy to ignore in light of the cat pix--so I still rate it 5 stars.

This is based on having these calendars for the past eight years but any cat lover will LOVE this!
