Customer Reviews

Have been purchasing this calendar for many many years. Back when it was just Boris. His and her work are excellent. I can almost always tell who did what. There art work is outstanding. Quality of calendar is very good.

This calender is so spectacular, that I look forward toward each new issue every year. I get excited for every months new picture as it inspires your imagination.

Boris and Julie can do no wrong, I have 15 of their calendars and several books. As long as the calendars are available I will get one.

The artwork in this calendar is amazing. I buy one every year for my husband, because he is a huge

fan.

Been collecting Boris and now Julie and Boris Calendars for along time now. Just flat like their art.
