Thomas Jefferson: President And Philosopher

Synopsis

In this special illustrated edition of the #1 New York Times bestselling Thomas Jefferson: The Art of Power by Pulitzer Prizeâ “winning author Jon Meacham, young readers will learn about the life and political philosophy of one of our Founding Fathers.â Thomas Jefferson was the third president of the United States. He was one of the authors of the Declaration of Independence. But he was also a lawyer and an ambassador, an inventor and a scientist. He had a wide range of interests and hobbies, but his consuming interest was the survival and success of the United States.â This book contains a note from Meacham and over 100 archival illustrations, as well as sections throughout the text about subjects such as the Boston Tea Party, the Library of Congress, and NapolÃ©on Bonaparte. Additional materials include a time line; a family tree; a Whoâ ™s Who in Jeffersonâ ™s world; sections on Jeffersonâ ™s original writings and correspondence, â œinventions,â • interests, places in Jeffersonâ ™s world, finding Jefferson in the United States today, additional reading, organizations, and websites; notes; a bibliography; and an index. This adaptation, ideal for those interested in American presidents, biographies, and the founding of the American republic, is an excellent example of informational writing and reflects Meachamâ ™s extensive research using primary source material.

Age Range: 10 and up

Grade Level: 5 and up

Customer Reviews

Well written and informative. Jefferson was a complex individual. His pursuit of freedom for America starkly contrasts with his ownership of slaves. My fascination with Jefferson began with a visit to Monticello. This book is one of three I've read on his life and times.

It is a good book, a bit elementary for anyone well versed in early American History.

I enjoyed this book very much. It was very informative. It gave me a lot of information on Thomas Jefferson and I did not know that information before I read this book. This was a great book!

This was a gift for my little nephew who has promised to do a book report on this book when he is done. I will inform you when he is done. I read Meacham's adult book on Jefferson - wonderful!

Excellent

Excellent I highly recommend.

I've been doing extensive reading in the area of early American history and I have seen Jon Meacham sitting on various TV forums so I thought that his wisdom would be interesting. Unfortunately, what I found was a re-hash of most of the things I had already read about Jefferson. Nothing new and lots-and-lots of pictures. A middle school student would learn a lot but if you already read about the period you probably already know everything that Meacham was written.

Great book for school students (large print).
