I loved it. I was very excited to learn about angels. I believe I have encountered a couple in my life--probably my own angels assigned to me. They were in a large man reaching down and grabbing me out of the path of a truck. An alley ran beside our house and I was running around the house edge and fell. A large delivery trunk was coming right there- I must have been around 3 yrs.

old. He carried me up to my house and gave me to my mother. She does not remember this but I do! The last remembered encounter, was about 9 years ago. I was in the process of having another hip revision and was in pain and could not been down very well to put air in my car tire. I was asking the Lord how am I going to be able to air my tires(one kept losing air). When I pulled up to the air hose meter, a young boy (about 14 or so) appeared and offered to help me. I did not see him come up to me. I was very surprised and thankful, I told him my problem. He walked around filling my tires with air. I thank him and offered him a couple dollars and he refused. (I still did not think angel). I insisted and told him to buy himself a soft drink. Told him how thankful I was and that I felt he was an answer to my prayer. I looked down to open my car door and he "just" disappeared. I looked every where around the gas station and could not see him and felt he could not have vanished just like that--then I thought "angel" and thanked God. I was so excited to read about the coming harvest--that it will be greater than Acts 2. and the exciting "Force" for the end time harvest. I am 83 years old. I feel I have more to be doing with this end time harvest. I am very excited. Thank you for this book too. While I seemed to be limited on physically. I am a person that prays and have been doing this for awhile. It does not take the physical aspect, I can pray. God bless and keep you all in His loving care and direction. Thank you Mr. Sheets, for being attentive to The Holy Spirit and writing this book. I tell other about your book.

This book is well written, scripturally sound, and has a ton on revelation about working with angels to do the work of God. I highly recommend it to prayer warriors, intercessors, missionaries, and pastors

I highly recommend this for the Believers who understand the Work of the Cross. This book is a quick read, lays the purpose Angels of God have been dispatched for those who Believe and the activation of them hearken to the Word of God. I liked this so much I also bought the E Book so I have that as I travel as well. My soft cover is highly highlighted and has some side notes as well.

What a marvelous book! We CAN trust God to change the political landscape if we are praying in faith. God is releasing angel armies who hearken to our prayers that line up with the Bible in unprecedented numbers. The Third Awakening is beginning and Heaven is intervening. God has never stopped honoring the prayers and actions of the Founders of America and we can have HOPE in America's future because God is first a God of MERCY and He wants to be KNOWN in America again.

What an incredible book! I bought copies for my pastor and others. It has decrees at the back of the book, that are worth having just to declare over your life, your church, your town, your country...the world! If you are discouraged by all the news that is surrounding you, read this book. It will bring you GREAT hope and expectations for what God is about to do. We are on the winning side! Read it! You'll be SO glad you did.

In his book "Angel Armies: Releasing the Warriors of Heaven" Dr. Tim Sheets delivers a powerful apostolic message at a time when many theologians are prone to explain away the supernatural realm. Dr. Sheets tells of a recurring prophetic vision, a revelation of a Holy Spirit movement of supernatural power coming like a vortex of revival fire. He describes a Third Great Awakening, unprecedented, ablaze with the burning power of Christ's presence in the greatest revival the world has ever seen. Dr. Sheets writes from a biblical viewpoint, revealing amazing insight and understanding into the nature and ministries of angelic forces. Dr. Sheets has been diligent in prayer and study in preparation of this powerful in depth, life altering revelation. Step by step Dr. Sheets explains from the scriptures how angels minister to us as heirs of salvation, how they assist us in fulfilling our destiny, and as ministering spirits in natural and spiritual realms. He includes instruction on King David's understanding of angels, and on the intrinsic nature of angels. I received a new understanding into the role of angels and their ministry in the lives of the apostles Peter and Paul, in the life of Jesus, and from Old Testament examples of Gideon, Joshua, and Daniel. Highly respected National and International Charismatic and Evangelical leaders enthusiastically endorse the prophetic message of Dr. Tim Sheets and are partnering with him in bringing transformation and deliverance to regions throughout the world. "Angel Armies: Releasing the Warriors of Heaven" is must readers for Christians today and for the next generation. A complimentary copy of this book was provided for review purposes. The opinions expressed are my own.
