Return To The Isle Of The Lost: A Descendants Novel (The Descendants)

Synopsis

The sequel to the #1 New York Times best seller *The Isle of the Lost*! Mal's an expert at intimidating her enemies, but she's broken the habit since leaving her villainous roots behind. So when she and her friends Evie, Carlos, and Jay all receive threatening messages demanding they return home, Mal can't believe it. Sure, she's King Ben's girlfriend now, and she's usually nice to her classmates, but she still didn't think anyone would be silly enough to try to push her around. The thing is, it kind of worked. Especially since she and her friends have a sneaking suspicion that their villainous parents are behind the messages. And when Evie looks into her Magic Mirror, what she sees only confirms their fears. Maleficent's just a tiny lizard after her run-in with Mal at Ben's Coronation, but she's the worst villain in the land for a reason. Could she have found a way to escape? Whatever's going on, Mal, Evie, Carlos, and Jay know they have to sneak back to the Isle and get to the bottom of it. Without its infamous leader, the island's even worse than when they left it, but the comforts of home—even a home as gloomy as the Isle of the Lost—can be hard to resist for recently reformed villains. Will the kids be able to beat the evil bubbling at the Isle's wicked core, or will the plot to destroy Auradon succeed?

She is surprised that someone has the gall to push her around. Yet it makes her curious, why must they all return home. What is happening in the Isle of the Lost. Her friend Evie looks into her Magic Mirror and is only further bewildered. King Ben is on his own quest to find the reason behind the stories of a dragon on the loose, and Mal worries that it could have something to do with her mother. But even as she follows up by looking into her fears, she finds that Maleficent is still just as she left her, just a small lizard laying in a cage. Emboldened by the encouragement of her friends, they decide they must find out what is behind the summons. They have left both family and friends behind, and they need to know if the rumors of a dragon have anything to do with Malâ™s mom and the other parents from the Island. They must sneak back in and see if the danger in Auradon is part of the evil lurking in their own home. Can they find the plot, for they know there must be one, before it has a chance to destroy the peaceful Kingdom of Auradon, and thrust them back into the evil they left behind?
