# Serafina And The Twisted Staff (A Serafina Novel)

## Synopsis

Filled with history, mystery, and magic, this Disney-Hyperion novel debuted as #1 on the *New York Times* Best Sellers List. Be sure to watch the exciting book trailer in the media section below. Serafina finds herself caught between two worlds: she's too wild for Biltmore Estate's beautifully dressed ladies and formal customs, and too human to fully join her forest kin. Late one night, she encounters a strange and terrifying figure, and then she's attacked by the vicious wolfhounds under his control. Even worse, she's convinced that the stranger is not alone, that he has sent his accomplice into Biltmore in disguise. A mysterious series of attacks test Serafina's role as Biltmore's protector, culminating in a tragedy that tears Serafina's best friend, Braeden Vanderbilt, from her side. Heartbroken, she flees. Deep in the forest, she comes face-to-face with the evil infecting Biltmore--and discovers its reach is far greater than she'd ever imagined. All the humans and animals of the Blue Ridge Mountains are in terrible danger. For Serafina to defeat this new evil before it engulfs her beloved home, she must search deep inside herself and embrace the destiny that has always awaited her.

## Customer Reviews

I was thrilled beyond belief when I found out that there was going to be a sequel to Robert Beatty's middle grade novel *Serafina and the Black Cloak*. I had been impressed with

Beatty's debut last year, and I wanted to find out what was going to happen to our plucky protagonist next. It should be noted that *Serafina and the Twisted Staff* reveals information about the first *Serafina* book and its infamous black cloak, including the identity of the person wearing the black cloak. This review will skirt around such spoilers. *Serafina and the Twisted Staff* begins relatively soon after the events of the first book. Serafina struggles to find her place in the world; she is not wild enough to survive in the forest, but she feels too wild to live amongst the civilized folk at the grand Biltmore estate. Serafina and her friend Braeden thought that by defeating the black cloak, they have banished evil from Biltmore. Unfortunately, they are very wrong. Serafina stumbles upon a terrifying force in the forest that almost defeats her. She is confused about what she experienced, and treats some of the Biltmore guests with suspicion- did they have anything to do with the attack? In order for Serafina to survive this new evil, she needs to figure out who she is, what she is capable of, and what her place in the world entails. And she needs to do it quickly because the wielder of the twisted staff is waiting for her. I often share the middle grade ARCs I receive with my daughter. After I read the synopsis for the first *Serafina* book last year, I knew it would be too scary for her. I asked her about *Serafina and the Twisted Staff*, and she said she was interested.
