Great sturdy map! Water resistant, tear resistant! Clear reading but I do need magnifying glass, but I also have compromised vision.

Great map, I'm a travel planner and this one is really helpful.

My wife and I are planning a trip to Australia and New Zealand and these will help us plan.

Great product. Love that it is laminated. easy to refold and resists stains.

The map was just as I expected. Easy to fold after unfolding, very detailed.

As described. Received on time.

This map lists a lot of good points of interest and it is very durable. I only wished it had more detail. Some of the roads are not labeled and there is no detail of the cities.
