# The Art Of The Iron Giant

## Synopsis

This beautifully illustrated book revisits the classic film *The Iron Giant*, with unprecedented access to rarely seen development art and storyboards from the Warner Bros. archives. In director Brad Bird's beloved and critically acclaimed 1999 movie *The Iron Giant*, an inquisitive young boy named Hogarth Hughes forms a powerful friendship with a robot visitor from outer space. Set in the days of the Cold War, the film follows the adventures of Hogarth and the Iron Giant as they try to escape a town's hysteria, a shady government agent, and the US military. Featuring the voices of Vin Diesel, Jennifer Aniston, Harry Connick Jr., Cloris Leachman, John Mahoney, and Eli Marienthal, *The Iron Giant* is considered one of the classic animated gems of the era, offering a beautiful mix of hand-drawn and CG animation. In celebration of the timeless legacy of the film, Warner Bros. released a special remastered Signature Edition featuring two new scenes. *The Art of The Iron Giant* takes an in-depth look at the making of this modern classic, featuring interviews with the director and the talented members of the creative team who worked endless hours to bring their vision to the big screen. Including never-before-seen images, concept art, backgrounds, and storyboards, this deluxe volume provides fascinating insight into the creative process, in addition to offering a sneak peek at some of the alternative images and plotlines the filmmakers considered before coming up with the final version of the movie. Showcasing the brilliant work of Brad Bird and his tireless team of masterful artists, *The Art of The Iron Giant* is a must-have companion to the movie and a wonderful testament to the enduring magic of this animated classic.
