Customer Reviews

I buy this calendar every year and love it. It's just what I am looking for. Has Hebrew months as well as secular months. Shows all secular and Jewish holidays.

These Jewish calendars are both indispensable and absolutely wonderful. I have been using them for so many years, that I have long lost track of how long I have benefited from owning them. It really has it all, having both the secular and Jewish calendars, with a full posting of all of the holidays from both the secular and Jewish worlds, with Friday night candlelighting times as well as those for the major Jewish holidays, plus lists the Torah readings for each week, and yes, beautiful artwork as a nice little bonus, all in a very convenient notebook-binder format that makes it so very easy to use. Amazing! It is perfection at its best. It is my hope that these calendars continue to be made every year, from now until eternity. They are that good.

This is a gift. It has much more information than expected. We will enjoy all year long.

Beautiful artwork and a great calendar to have with Hebrew months and days on right side and regular calendar on the left
