## Synopsis

TEST AND REINFORCE YOUR KNOWLEDGE, WHILE IDENTIFYING THE WEAK SPOTS! The LEED Green Associate V4 Exam Practice Tests & Summary Sheets are designed to provide the reader with a real exam simulation presented through 2 full-length Practice Exams and Summary Sheets in order to test and reinforce knowledge while simultaneously identifying weak points. The exams have been prepared in the same scope and format as the actual LEED Green Associate V4 exam, and the questions were based on the most important concepts to capture all the critical information that will be encountered during the actual exam. In addition to the Practice Exams, the book contains Summary Sheets to point out the most important strategies of each credit category, as well as the programs, standards, and definitions that will make up the critical section of the actual exam. The Summary Sheets are designed to fill in any missing knowledge and make a big impact on the reader's exam score in a little time. The book is strongly recommended for any test taker who needs to reinforce their knowledge, complete practice tests, and become familiar with the actual exam scope and format. Test and reinforce your knowledge, while also identifying weak spots. Learn the most important information that you need for the exam. Fill in the missing knowledge with the Summary Sheets. Familiarize yourself with the actual exam scope and format.

## Customer Reviews

This book is very helpful for passing the exam. When reading the explanation of the questions make

sure you read the explanation of the other answer choices as well, even for the questions that you answered correctly.

Provides brief summaries of the important parts of each section which is useful. Practice exams provide good explanations for the answers. The greatest flaw is the terrible grammar throughout. Seems like there was little to no proofreading done. Other study guides I've used haven't had this problem.

I didn't had much time to study for the exam and this book really made the biggest contribution to my score.

Well prepared practice tests. Highly recommend it. And if get a little low on the practice tests, study the summary sheets well, they're very helpful.
