# Doctor Who Travels In Time Coloring Book

## Synopsis

Experience the timey-wimey travels of the Doctor moment by moment with this historicalÂ Doctor WhoÂ coloring book. Inside you'll find the Doctor's greatest friends and foes from throughout all of history, with original illustrations featuring Churchill, Shakespeare, Van Gogh, Dickens, Madame de Pompadour and many more. Color in kings and queens, Romans and Egyptians, Viking villages and erupting volcanoes . . . not forgetting the occasional dinosaur on a spaceship. With 45 brand new images to color,Â Travels in TimeÂ is a fantastic addition to any coloring collection.

Publisher: Price Stern Sloan; Clr Csm edition (July 26, 2016)

Language: English

ISBN-10: 0451534255

ISBN-13: 978-0451534255

Product Dimensions: 9.9 x 0.3 x 9.9 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 starsÂ Â See all reviewsÂ (19 customer reviews)

Best Sellers Rank: #13,418 in Books (See Top 100 in Books) #31 inÂ Books > Arts & Photography > Graphic Design > Techniques > Use of Color #169 inÂ Books > Arts & Photography > Drawing > Coloring Books for Grown-Ups #283 inÂ Books > Crafts, Hobbies & Home > Crafts & Hobbies

## Customer Reviews

Attached to this review will be a silent flip-through of the entire coloring book so you can make an informed decision as to whether or not it will work for you. I will also include a few sample photos of designs pages from the book as well.I reviewed the UK version of this book here on in May of this year. At the end of this review, I will discuss the differences between the two versions. The video and photos on this review will be of the US version only, except for the one which I will show comparing the two versions paper color.Once again, rather than discuss how this coloring book is like or different from TV series or to compare any of the Dr. Who actors and casts, I will discuss only how I feel about it as an adult coloring book.As with the first Dr. Who coloring book, I really like the illustrations. I have found that I actually like these designs in this book even a little better than the first book. This is because I found these scenes to be a little more interesting and fun to color. The designs are by the same team of illustrators who were responsible for the first book, namely: James Newman Gray, Lee Teng Chew, and Jan Smith. There are 45 designs (even more if you count the

title and preface pages.) The episodes included are from 1964 through 2015, so the range of Dr. Who's represented is good. This time the designs focus on Dr. Who in various time periods â€“ including Vikings, ancient Egypt, the Battle of Hastings, with Winston Churchill and even with Shakespeare among many others. The designs are well drawn with clean black lines though it is easy to see that these designs are hand-drawn for the most part as the lines are not perfectly straight.
