Marty Noble's Sugar Skulls: New York Times Bestselling Artists' Adult Coloring Books

Synopsis

Bestselling author Marty Noble allows you to express your creative streak and color Day of the Dead sugar skulls! Sugar skulls, or calaveras, mark the arrival of the DÃ- a de los Muertos, or Day of the Dead, in November. To celebrate this traditional Mexican holiday when the living honor their departed loved ones, sugar is molded into skull shapes and decorated with colors, patterns, and designs that delight, charm, and fascinate. Now, decorate your own sugar skulls within the pages of a coloring book. Designed by the bestselling coloring book artist Marty Noble, the book features forty-eight gorgeous and intricate line illustrations of both human and animal skulls. These specially crafted sugar skulls range across different aesthetic influences and complexity levels for both the amateur and advanced colorist. They are adorned with flowers, plants, patterns, wildlife, macabre imagery, and traditional Mexican art motifs that will engage your inner creativity and get your coloring juices flowing. These pages are perforated and printed on one side, allowing colorists to remove and display their finished designs easily. Whether on November 1 and 2, or throughout the year, Marty Nobleâ™s Sugar Skulls offers an absorbing and fascinating coloring experience with page after page of unique sugar skull designs!

Book Information

Customer Reviews

This is a wonderful coloring book that is literally filled with Sugar Skulls (mostly human but there are a number of animal skulls interspersed throughout and primarily at the end of the book.) Sugar

Skulls (known as calaveras) are one of the most celebrated and iconic images associated with Dia de Muertos – “The Day of the Dead. This is a holiday that is celebrated in Mexico early in November but which is catching on around the world. It is a day in which one honors those loved ones who have passed on. This book is published by Skyhorse Publishing. I also have Mary Noble’s book by Creative Haven “The Day of the Dead” and I find that each has their own charm. The older book has full figure drawings whereas this book focuses on the Sugar Skull itself. The artwork around and in the skulls include animals and plants as well as traditional Dia de Muertos imagery and elements. In addition to the 48 coloring designs, there is also a Sugar Skull Maze along with a small answer guide) There are so many elements that cry out for color. It is really a beautiful book for the colorist to experiment with color combinations that they may not have tried before. While each of the designs are fairly intricate, they are not small to the point of making coloring difficult or stressful. The designs are printed on one side of a good weight white perforated paper. The paper is of a good quality (though not the highest grade – see coloring medium issues below) and it can stand up well for framing. The binding is glued rather than sewn but this is not an issue as you can remove a page at the perforations if you choose to do so. The designs all stop well before the perforations and all of the designs have a framing line around them.
