# Waylon: Tales Of My Outlaw Dad

## Synopsis

"This book is a terrific tribute, from a son to his father."---Willie Nelson"I'm so excited about Terry's new book."---Dolly PartonFrom the Foreword by Ken Mansfield"There are many stories about Waylon . . . the family man, the creative genius man, the quiet man, the king-of-the-six-day-roar-man, the uncommon man, the legendary man, the bad-ass man . . . they are all in this book."In a signed copy of his autobiography, Texas-born country "Outlaw" icon Waylon Jennings penned a personal note to his son Terry: "I did my best. Now it's your turn." Two decades later, Terry Jennings finally completes the true story of his father's remarkable, unvarnished life with *Waylon: Tales of My Outlaw Dad*. Born when Waylon was only nineteen, Terry came of age just as Waylon's career hit the stratosphere with hits like "I've Always Been Crazy" and "Good Hearted Woman," one of his famous Willie Nelson duets. Terry dropped out of high school and joined his dad on tour, and the two became more like brothers than father and son. On the road, they toured with legends like Nelson, Johnny Cash, Kris Kristofferson, and Jessi Colter, Waylon's fourth and final wife. Together father and son led a hard-partying lifestyle centered around music, women, and drugs. Waylon's success--critical acclaim, bestselling albums, sold-out tours, and even TV stardom on *The Dukes of Hazzard*--was at times eclipsed by his demons, three divorces, crippling debt, and a depression that Terry traces to the premature death of Buddy Holly. (Waylon was supposed to be on Holly and Ritchie Valens's doomed flight.) Through it all, Terry worked on the touring crew, helped manage Waylon's career, and became one of his father's closest confidantes. Debunking myths and sharing incredible never-before-told stories, this book is a son's loving and strikingly honest portrait of his father, "the greatest Outlaw country musician to grace this earth" and an unlikely but devoted family man. *Waylon: Tales of My Outlaw Dad* will resonate for generations of fans.

## Book Information

Hardcover: 272 pages

Publisher: Hachette Books (April 19, 2016)

Language: English

ISBN-10: 0316390119

ISBN-13: 978-0316390118

## Customer Reviews

For the author's heartfelt and candid account of his personal experiences, I would give the book something along the lines of a 3 and 1/2 starred review. I think most fans of Waylon Jennings will undoubtedly find the book entertaining and revealing. It's also reasonably well-written, with an accessible, conversational tone that keeps the reader interested at all times. But I was not much impressed by what Terry Jennings reveals in this rambling memoir about a "Rambling Man," for a number of reasons. Terry Jennings is the son of legendary country music anti-establishment artist Waylon Jennings (by the first of Jennings's four wives) and here he presents a somewhat hodgepodge collection of straightforward family facts and scattered anecdotal stories about his experiences with his famous Dad, both as a member of the variegated Jennings family and as something of a "roadie" and all-purpose employee of his father's touring enterprise. Jennings gets off to a good start by describing (simply but compellingly) the hard-scrabble early years of Waylon's life in Littlefield, Texas, and the challenges faced by a poor but hard-working and highly religious farming family. The little details about Grandma and Grandpa Jennings and their struggles are welcome additions to the overall story of what "made Waylon into Waylon," but Terry Jennings doesn't linger too long in those formative years or paint any vivid pictures of what was surely a difficult life. Of course, Terry wasn't born, yet, so some details about those years were obviously beyond his purview.
