Customer Reviews

My 2 year old daughter LOVES this book! She actually asks to sleep with it some nights lol. It's the perfect length because it doesn't drone on forever and it's long enough to be a quality story. The pictures are very cute and on each page they have an african saying that they teach you.

This book is nearly identical to the episode with the same name. This just summarizes the story, with language easy for a young child to follow. Additionally, for fun, each page offers definitions of the different words Bunga often says.

Cute story, follows the episode closely. Read it to my three year old once and now he "reads" it to me by looking at the pictures and yelling me the story. He's very excited to be "reading."

Cute book. At the price of \$3.99, this is a no-brainer! My 3-year-old son loves the Lion Guard and

Bunga, so this was a perfect book for him. It recaps the episode, which he loves. I like that it includes a few definitions for the Swahili terms used in the book/show in some of the page corners (zuka zama, hevi kabisa, and hapana). We had actually already looked up these definitions and found a nice article explaining them, but it's nice to have the definitions integrated with the story throughout the book. It is a small-sized paperback book with 32 pages, each page has about two sentences. It's a nice length and easy read that holds my 3-year-olds attention.

Not much to say about this book or tv series. I love it, my daughter loves it. Zuka Zama

Cute book, the kids loved the words that were in the language from the Lion Guard.

Recaps the episode. My son loves reading this book over and over again.

This book is very cute. My kid was so excited to try and read it. I gave it 4 stars because the description says the youngest reading level is age 4, but the book is too difficult for her.
