Customer Reviews

I hate to give a negative review but I found this book boring. There are no models so the dresses just seem flat with no flair. There is a lot of "cloth" with no designs, so it is just large amounts of one color to fill it. There was not one dress that caught my interest to color. The quality of the paper is fine. The drawings are okay. I just found it dull.

Dresses were not intricate enough for adult coloring. My 8 year old grand daughter loved it. Styles were cute, but too big.

Very nice, I'm going to probably get more of her coloring books

I love this book!!!
