# Dream, Draw, Design My Fashion: A Sketchbook For Artists, Designers, And Fashionistas

## Synopsis

Whether you dream of stunning sequins, a couture closet, or stylish shoes, Dream, Draw, Design My Fashion will let your creativity flow! What does your dream closet look like? Why not sketch it! Dream, Draw, Design My Fashion is the perfect inspirational sketchbook, idea book and guided journal for anyone wanting to draw and design their own outfits, costumes, or clothing! Enjoy the stimulating ideas and prompts for patterns, colors, details and design elements to help dreamers get motivated and get started. This playful book is meant to be a visual guide, not a technical handbook, so you can create until your fashion is fierce and fabulous right on the pages! Illustrator Bijou Karman, whose sketches are becoming well-known in the style world, will guide both experienced and amateur designers. The unfinished quality of the line drawings leave room for the reader to imagine how they would complete, color, and accessorize every outfit, style the hair and makeup, and design the shoes and bags of their dreams. Whether you dream of a red-carpet gown, the perfect winter outfit, or the coolest boots, Dream, Draw, Design My Fashion will let your creativity flow!

## Book Information
