FASHION TRENDS: London Look Of The 60's: COLORING BOOK (Fashion Trends: Series) (Volume 1)

Synopsis

Fashionistas! Relax and step back in time to the 60s! Color an homage to cutting edge Chelsea in London and designers like Mary Quant and Ossie Clark. -Escape into a stress-free zone with 85 pages of coloring. -Contains over 150 original drawings of London's outrageously trendy scene during the "Swinging Sixties"™, including detailed drawings of the famous epicenter of fashion in the 60s™s, which was King's Road in Chelsea London. Author Leigh Rudd is the former CEO and founder of the fashion forecasting publishing Company IM International from 1968 to 1988, with offices throughout the world. This unique coloring book came out of Rudd's desire to share the wild London lifestyle and fashion of that time period. The book is hosted by the entertaining character, fashion forecaster Jordan Parker (a feisty alter-ego of the author, herself one of the original "fashion forecasters" in 1968). This is a new take on adult coloring books "a fashion coloring book for those who want to relax, flex their fashion sense, and go back in time with original fashion images and fashion illustration. Just grab a set of coloring pencils and let your mind go wild! And this fashion coloring book has a bonus! It also acts as a guide to Fashion forecasting." • Learn how to predict the trends, whether you have a budding fashion career or just want to flex your creative fashion sense. Relax and enjoy coloring the 60s fashion inspiration, as well as fashion tools of the trade. Color sketch pads, mood boards, fabric and color swatches; art supplies and huge catch-all tote bags to carry when you head out to research at museums and galas. Fashion illustration and drawings are by artist Brittany Morganti. (For best results, we recommend using only colored pencils.) Scroll up and click the buy button now!

Customer Reviews

A coloring book that's fun. Obviously created by an "insider" who was there in London in the Swinging '60s. Even if you don't want to color it, it's a fun book about how fashion trends really happened. Fun for any fashionista.

Length: 2:32 Mins

Fashion Trends: London Look of the 60's by Leigh Rudd with illustrations by Brittany Morganti • 74 Coloring Pages • Glue Bound • Medium weight paper • Dimensions 8-1/2 X 11 • Illustrations are Double sided • Non perforated • Recommended for intermediate to advanced colorists This book was given to me in exchange for a fair and honest review.

Wow! What a great book. For those of us who lived during the 1960s, this book is a great reflection of those times. Those of us on this side of the pond were duly impacted by the British invasion, an invasion that changed our music and our fashion. Leigh Rudd was in London in the thick of it, and her recounting of those times puts the reader right there in the fashion world of the 1960's and all the happenings in London. Not only is this book a fun reflection of the 1960s, it is also a fun coloring book. I haven't colored in years, but once I purchased this book, I went out and bought myself a large box of crayolas. What a throw back for me --- reliving the 1960s with information that I hadn't even been aware of and getting back on my hands and knees to color the pages [without worrying about coloring inside the lines]. GREAT BOOK that provides hours of fun.

I love this coloring book! It lets me relax and space out to lovely designs, articles of clothing, hairstyles, and images of Swingin' London. It is the perfect way to feel engaged and to improve upon fantastic fashionista images.

This is my first adult coloring book and I love it !!! There's so much details with the pictures and love the 1960s fashion history. A great coloring book I would recommend to anyone even my 4 year old loves it!

My copy arrived today. What a fantastic book. Ms. Rudd is amazingly talented. I am thinking of friends to buy this for who would love the coloring and the subject matter.

Absolutely in love with this book! Not only are there endless coloring opportunities, but you are taken on a journey through the life of Jordan Parker. Without a doubt, the best adult coloring book on the market right now and at the best price! Would recommend to anyone!
