# Flowers And Flyers: Adult Coloring Book Of Flowers, Songbirds, Hummingbirds, Butterflies, Owls, Ornamentals And More!

## Synopsis

A truly gorgeous book, *Flowers and Flyers* features 24 original hand-drawn full page illustrations, inspired by lovely flower gardens, beautiful songbirds, flitting hummingbirds, wise owls, colorful butterflies, dragonflies, lady bugs and more in wonderous natural settings of flowers and fruits, as well as some of my signature style of Ornaments inspired by 17th and 18th century architecture. In other words, something for everyone! See the full length video walkthrough of this book posted on the Author's Page. Just click on the name in blue above. 24 Full Size 8 1/2" x 11", single-sided pages, PLUS; 24 crafter size (5" x 7", single-sided, 2 on a page), perfect for cutting out and framing, mounting to a greeting card, or using on a scrapbooking page. Plenty of room on the inside margin to cut out the pages for framing, or use on a clipboard, just use a scissor or X-acto like blade. Printed on #60 Bright White paper (medium weight), perfect for use with dry media. 3 Dedicated Color Test/Blotter pages (at the back) to cut out and use with Wet Media (markers, gels, etc.) Whether you are a brand new colorist or have been coloring for years, each calming page has been specifically designed to give you beautiful results and take you away from the stresses of daily life and into a world filled with creativity. The feedback we hear most often is, "Wow, this was fun to color!" Cover (front and back) features a large selection of the pages INSIDE the book, which is ideal for those who like to make purchases online or in-store. Also, be sure to check out the "Inside the Book" feature to see a proof page of the images all on one sheet. This book is printed on #60 Bright White Paper. We recommend using a dry medium like colored pencils, though an instruction page is given so colorists know what to expect when they choose to color with wet mediums which may bleed through the paper (such as Markers and Gel Pens); and blotter/color test pages are provided at the back of the book for this purpose. A full length video preview of the book is on the Author Page, just click on the Author Name at the top of this listing.

## Customer Reviews

I love all of the art by Christine Aldridge, and this book contains some of her best ever drawings. If you love flowers, birds, butterflies, dragonflies, owl or just beautiful art...this book is for you. I will warn you. My first copy of this book 'flew away', when my sister-in-law stopped by for a visit. She loved it so much that I had to let her have that new book...and it flew out the door with her. :) I had the advantage of getting a few of the pictures, when Christine made them a sneak peak on her website. Here are some of the pictures that I have colored already.

If you love to color beautiful images of flowers and butterflies, hummingbirds and many other flyers this is the book for you. I own all three of C.L. Aldridge's books, I absolutely love her work! These images are worth every penny and more!!

I am such a fan of Christine Aldridge. I have all three of her coloring books and love every one of them. If you enjoy coloring flowers, butterflies birds etc, then her books are for you. . I'm looking forward to more of her designs, she is such a talented artist. Here are some samples I have colored from her books
