Customer Reviews

I used it as a test for using multi media, and blending types. I learned alot, from the gray scale photo's, pencil do better in the white spots, markers do the best in the light and dark gray areas!!!!!!

I'm personally not wild about the grays. It was difficult to use colored pencil. I did have some success with pastel chalks.

love the book! could be printed on better paper

love my lighthouse coloring book

it is fun to color these pics.
