Vintage Women: Adult Coloring Book #8: Simple Vintage Fashions (Vintage Women: Adult Coloring Books) (Volume 8)

Synopsis

If you love vintage fashion, but don't really want to color in all the details seen on many clothing styles typical of the Victorian, Edwardian and later eras, this is the adult coloring book for you! Every one of the 48 illustrations in this book was especially chosen from of our collection of thousands of antique fashion illustrations. Our goal was to find simpler drawings with dark outlines, so you can get the flavor of vintage clothing styles without worrying about tiny patterns and other elaborate design elements. Inside, you will find four dozen coloring pages with simplified examples of outfits popular from the late 1890s to the early 1920s – dresses, skirts, blouses, suits, coats – and including hats, parasols, shawls and other trend-setting attire. All of these authentic styles are presented chronologically, from the year 1899 through 1922. Here's your chance to give these simple vintage fashions the color and the verve they have been missing for a century. And hopefully, you will have as much fun exploring these classic styles as we did rediscovering them!

Note: This is not a typical coloring book! It features authentic vintage images that were drawn a century ago.
