# Spanish: Verbs Fast Track Learning: The 100 Most Used Spanish Verbs With 3600 Phrase Examples: Past, Present And Future

## Synopsis

Focus your Spanish learning on the most frequently used verbs. Learn just the 100 verbs you need for everyday life to talk about the past, the present, and the future. One of the usual mistakes when learning a foreign language is that the student has no priorities. All the unknown verbs get the same attention. Actually, to communicate, you only need 100 verbs in any language. These verbs are the most frequently used and can be defined using an algorithm that provides the ranking. In this book, you'll find the list. This book will provide you with the 100 verbs you have to learn first to get around when traveling or interacting with Spanish-speaking people. The phrases are presented in a very simple fashion: Past, Present, and Future. No complications with the so many different conjugations and their weird names. Straight and simple. So, don't waste your time and energy! Focus your effort on the most important verbs you have to learn to master Spanish!

## Customer Reviews

What is totally amazing about this book is that it the 100 most common verbs that anyone would need in any language. So direct to the point and time saving too! The verbs are given in the Past, Present, and Future tenses so that one will easily learn them all at the same time. Traveling to Spanish speaking countries and talking like a native is no longer an issue now.

Me and my children having difficulties in learning Spanish language, that's why I look for this book. I am very happy that I choose this one. Because it has simple and easy way of teaching Spanish words which can easily understand by us. The tables were clear given the English and it's corresponding Spanish words. 100 most used verbs with 3600 phrases examples are written on it.

We enjoyed learning these.

What an awesome book! My limited Spanish vocabulary was enhanced. I like the way it was presented. The choice of words are great for new learners like me. It will not be hard for me to understand and speak the language. I will be able to use this on each situation and it is detailed in a very simple way. I am so happy to have this book as my guide.

What I like in this book is that, it is not only focused as to what a phrase is in the present form but it also translates it into the past and future form. Great, right? A very easy and handy use that you will absolutely love. A perfect fast track learning. For me, this is very helpful. Thanks Retter :) Your book is well written and very easy to understand.
