Fire stick is not so easy to use for newbies to it, i bought it and find some difficulty in using it in mean time i got this book for free to learn about the fire stick. Author have amazingly written all the details in this book.

This guide is blessing in disguise for me with my new fire stick i was not able to enjoying all the functions due to less knowledge about it. But after reading firest this guide now i am all clear about fire stick.

I like it as much as I have been able to use it. I had difficulty in the beginning getting started but now I am using it and I do enjoy it!

This is best guide about fire stick i have ever read, author have written all the details in this book for reader. Really love this book.

I was so dumb at using things , no one guides me, this books details everything that i need to learn, definitely recommend it.

I have read the best book that made mine life so much easy, writer has amazing skills, so happy to find this book.
