Jezebel's Puppets: Exposing The Agenda Of False Prophets

Synopsis

Many charismatic Christians are familiar with the biblical character of Jezebel, yet they do not know the demonic spirit by that name that still wreaks havoc today. The Jezebel spirit characterizes anyone who acts in the same manner as Jezebel did, engaging in immorality, idolatry, false teaching and unrepentant sin. Its manifestations are conniving and destructive, dwelling in she who desires to have her way, no matter who is destroyed in the process. "You can't defeat what you can't see. While most people are hyper-focused on Jezebel" and are basing their warfare on a misunderstanding of what Jezebel really is" fewer understand the workings of Jezebel's demonic partners in crime. The spirit of Jezebel couldn't execute all its wicked plots without the spirits of Ahab, the false prophets and the eunuchs. This book will fully expose this destructive team's plan, teaching readers how to discern each spirit and defeat them!

Just started to read the book but already the Lord spoke to me. It will not be a quick read but one that God will stop me and teach me throughout the book. Looking forward to learning and getting equipped easy to read not filled with Christianese but real truth to understand and meditate on.

Excellent work by the author. I have gleaned so much about passive aggressive spirits, not making definitive statements, just so very helpful in understanding the work of the enemy. It is easy to follow, very Biblical I don't personally know the author but I trust her work as it lines up with the

Word. It isn't scary, just the opposite.

This comes straight from the heart of God -- through Jennifer LeClaire -- to the reader. This is a VITAL message for every Believer...AND unbeliever. This is material you'll never hear from the pulpit and is a MUST read! It's really frightening how uninformed the average Christian is. This "Jezebel Spirit" (and her puppets) are working now and most are unaware of the danger that can affect them every day!

Good reading and good to know and understand the unseen world and understand Jezebel story and the evil spirit "Jezebel" still continues today "destroy, kill and steal" followers of Jesus away from Lord Jesus Christ!

This book is written fantastically and gives insights I have never heard before. Very grateful to read this after having gone through some horrible spiritual abuse. The book describes not only what the Jezebel spirit looks like, but how it operates and all the other key players involved and their roles.

This is an outstanding book on the subject of the Jezebel spirit. The author has profound prophetic insight into this subject. The best book I've read about this--I learned a lot! Bravo!!!

Some insights here that need to be known when dealing with this spirit that operates through people. Need to know how it operates to recognize it.

Excellent book! I am glad I bought it.
