That's A Rap

Synopsis

An uplifting and candid memoir from thirteen-year-old YouTube sensation, boy-next-door heartthrob, and musical artist **MattyB**. Don't worry about what others think. Don't try to be cool or be someone else or be this-that-or-the-other. Be you. • "MattyB" Matthew David Morris, better known as **MattyB**, was virtually unknown just a few short years ago. After posting his first rap cover to YouTube at just seven years old, he quickly catapulted to record-breaking Internet stardom. Now thirteen, **MattyB** is an accomplished recording artist: he has sold out shows all over the world; appeared and performed on national television; recorded the smash hits "Right Now I'm Missing You," "My Oh My," and "New Kids"; is approaching 3 billion views on YouTube, and loves meeting his fans every step of the way. Although his success is more than he could have ever dreamed of, **MattyB** wants his fans to know that he's a regular kid, just like you. In his first memoir, *That's a Rap*, **MattyB** opens up about his journey so far, including what it's like to go from the boy next door to a global sensation, grow up with a sister with Down syndrome (and how he uses his songs to spread awareness about it), the heart and soul that goes into making his music, and the importance of the Christian values that have kept him and his family grounded through every up and down along the way. Totally honest and 100 percent personal, *That's a Rap* tells **MattyB**'s incredible story, offering B-Boys and B-Girls a look into his fun-loving, family-oriented, one-of-a-kind world.

I've always been a fan of NWA and this book feeds my obsession. This has to be one of Eminem's best pieces today if not then ever. If you're a fan of Rick Ross then you'll love this.

bro, this book will break history. i love lil uzi vert and his beautiful life story. this book gave me a new appreciation for kodak black, one that i never knew possible. in logic's new book, he (his ghost writer) paints an incredible story that i will treasure for the rest of my life. god bless lil dicky he will always be my favorite rapper.

MattyB is one of the most inspirational figures in today's hip pop scene. Combining soothing flows and sick beats, he creates songs that kick ass and take names. So who thought that this kid could write? Marty's latest book, "That's a Rap", has a simple yet gripping message for the youth: follow your dreams unless they involve violence against minorities. Writing about his hard times on the streets of LA, Matty B has created something hard to read but even harder to put down. 8/8.
