Synopsis

Ellen G. White (1827-1915), was an American religious writer, a prolific author of over 40 books and 5000 periodical articles during her lifetime. She was one of the founders of the Seventh-day Adventist Church, believed by many readers to have the spiritual gift of prophecy described in the Bible. The Smithsonian magazine named her among 100 Most Significant Americans in an acknowledgement of her influence on religion. This important volume collects in one single book five of her most important works, including one of the best selling books of all time: Steps to Christ - an evangelistic book explaining how to have a living connection with Jesus Christ. It covers the topics of repentance, confession, faith, acceptance, growing into Christ, and prayer.
