Love And Rockets: New Stories No. 8 (Love And Rockets)

Synopsis

In the Hernandez bros.â™ long-running, multigenerational comic book series, Maggie attends the punk reunion with or without Hopey, and Fritz and Mila try to outshine each other in the movie The Magic Voyage of Aladdin. In this eighth annual volume of New Stories, Jaime takes us to the punk reunion that Maggie & Hopey were road tripping to last issue. Will Hopey actually show up, or will Maggie have to go it alone? Hell, will anybody show up? Lots of old friends and enemies make appearances in the second chapter of this latest Locas epic. Also, what happened to Princess Animus? The film may have broke but the movie was most definitely not over. All this and Tonta, too! Meanwhile, Gilbert serves up the second and concluding part of âœThe Magic Voyage of Aladdin,â• which establishes the rivalry of its two stars, Fritz and Mila. Whoâ™s Mila, you ask? And to make matters worse, who are the Fritz lookalikes that are coming out of the woodwork? Youâ™ll have to read Love and Rockets: New Stories No. 8 to find out! Black & white illustrations throughout

Customer Reviews

Typically for the Hernandez Bros, it's an excellent book. The 'Princess Anima' story was terrific, riding a borderline between extreme screwiness and good SF adventure. The 'Fritz' story, I must admit, confused me. Maybe this is sad reflection on my IQ but I've often had a tough time following Gilbert's (whose story this is) long and complex tales. I had a very tough time with his "Poison River". It was easier to understand when all of it was collected in one volume, and I'm sure that will

be true for this Fritz story. I'm looking forward to reading the tale when it's in one volume. Jaime's telling of Maggie's punk reunion was good. I've been reading about Maggie and her friends since the mid-'80s. I've read all the stories. I remember when Maggie and Hope were feeling the joy of their youth. The power of the punk rock they loved helped fuel their headiness. To me this reunion is a big deal. In the time between back then and now, there has been a fair amount of pain in their lives. This reunion story involves both happiness and sadness. Fortunately, the accent is on the happiness.

The great stories and art continue. Long live Los Bros Hernandez!

Good read for those you love the series and know what's going on.

Been buying Love and Rockets since 1980s. This title continues new characters and storylines.

I love and rocket.
