Caterpillar 2017: 16-Month Calendar September 2016 Through December 2017

Synopsis

Witness the awesome power of some of the world's largest earth-moving machines through full-color photos, a look inside the cabs and scale illustrations of the vehicles. Caterpillar 2017 features large-format photographs of earthmoving and construction marvels from across the Caterpillar lineup of dozers, loaders, excavators, trucks and more. Detail images provide a look inside vehicle cabs and scale illustrations detail each vehicle's spec.

Customer Reviews

The little kid in me is so happy to see these calendars out. I hope some month they have the Caterpillar 797B mega dump truck. Empty it weighs 281 tons. It can carry 418 tons. OH also it costs \$ 5 million dollars and needs 14 semis to haul it to where it needs to be assembled on site. Lets see somebody put one of the monsters on their Discover Card!!!!

Excellent photos of great machines at work. Each day it makes me dream of operating such cool equipment. This is the Caterpillar calendar to get.

Great calander with fantastic pictures. Very big with lots of room to right in appointments and such. Great deal for the price.

I buy this for my nephew every year, he loves it. Nice pics throughout the calendar.

My boyfriend loved it! I like that it has little articles with each picture.

I gave this to my son as a Christmas present and he absolutely loves it!!

Love this calendar everything I expected to be.

Great calendar! Buy a new one every year!
