# The Blood Mirror: Lightbringer, Book 4

## Synopsis

The nail-biting continuation to the Lightbringer series from New York Times best-seller Brent Weeks. When does an empire fall? The Seven Satrapies have collapsed into four - and those are falling before the White King's armies. Gavin Guile, ex-emperor, ex-Prism, ex-galley slave, formerly the one man who might have averted war, is now lost, broken, and trapped in a prison crafted by his own hands to hold a great magical genius. But Gavin has no magic at all. Worse, in this prison, Gavin may not be alone. Kip Guile will make a last, desperate attempt to stop the White King's growing horde. Karris White attempts to knit together an empire falling apart, helped only by her murderous and possibly treasonous father-in-law Andross Guile. Meanwhile, Teia's new talents will find a darker use - and the cost might be too much to bear. Together, they will fight to prevent a tainted empire from becoming something even worse.

## Book Information
