# See You Later, Alligator

## Synopsis

A departing tortoise has his bags packed and is almost ready to set out on an adventure, but he can't leave until he says good-bye to each of his animal friends. The tortoise stops for every last timid mouse and bumblebee, shouting his rhyming good-byes, making you wonder if, perhaps, he's stalling the start of his trip. His animal friends appear startled as he suddenly pops up on each page to say adieu; especially the perplexed rhinoceros the tortoise mistakes for a unicorn! With each farewell, the tortoise's good-byes get sillier and more creative. When will the good-byes end and the adventure begin? See You Later, Alligator is a silly story with bright, engaging illustrations and expressive, rhyming text that children will want to read and giggle through; again and again. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers; picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
