# Welcome To The Show: A Mickey Tussler Novel, Book 3 (The Mickey Tussler Series)

## Synopsis

Itâ™s 1950 and Mickey Tussler, the now-famous pitching prodigy with autism and a golden arm, is back for another baseball season in this third installment of Frank Nappiâ™s critically acclaimed Legend of Mickey Tussler series. Talk of Mickeyâ™s legendary exploits on the field has grown since his improbable debut two years prior, as have the fortunes of Murph and the rest of the lovable ragtag Brew Crew. Now Mickey, Murph, and Lester find themselves heading to Bean Town to play for the Boston Braves. The call up is sweet, for all of them have overcome insurmountable odds to get where they are. But life in the major leagues is filled with fast-paced action both on and off the field. The bright lights of Boston hold a new series of challenges, hardships, and life lessons, especially for Mickey, who finds himself a long way from throwing apples into a barrel back on the farm. The three newest Braves have each other to lean on, as well as a new group of fans who are swept away by pennant fever, but balancing everything this new world has to offer may prove to be the greatest challenge of all. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers; picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

## Book Information

Softball #1 in Books > Teens > Literature & Fiction > Social & Family Issues > Special Needs

Age Range: 12 and up

Grade Level: 6 and up

## Customer Reviews

In this third book of the Mickey Tussler series, Mickey now finds himself pitching in the major leagues for the Boston Braves. His manager (who is also now his stepfather) Arthur Murphy and catcher Lester are also employed by the 1950 Braves and the story of their adventures in the National League is the best of the three stories about the young autistic pitcher. Nappi writes with flowing grace no matter which particular topic is being addressed. Whether it's Mickey throwing his fastball with pinpoint accuracy, his budding romance with Jolene, the sister of a Braves teammate, or some of the poignant exchanges between Murphy and Molly, his wife and Mickey's mother, the reader will be gripped in the emotions of the moment. The reader will also feel a strong connection with the characters in this story. Of course, those who have read the previous two stories already have had that attachment with Mickey, Molly, Murph and Lester, but it continues with the introduction of Jolene. Having suffered rejection by a parent during her childhood like Mickey, her character is the perfect match for Mickey and their conversations and budding relationship made for the best passages of the book. Which isn't to say that the baseball writing is bad - these parts are just as good as they are in the first two segments. Using real players from the 1950 season but taking liberties with actual baseball history, it was fun to read about the ups and downs of the Braves as they progress through the season. No spoilers to tell how the season ends, but how the young pitcher, his grizzled manager and level-headed catcher handle the adventures of the campaign will enthrall any baseball fan.
