Edwardian Fashion 1910-1920 Styles: Edwardian Inspired Fashion Pen And Ink Drawings, Adult Coloring Book

Synopsis

â œEdwardian Fashion 1910-1920 Stylesâ • is an adult coloring book that features 30 single sided pages of hand drawn illustrations. Fans of vintage fashion and costume dramas like Downton Abbey and Titanic will enjoy coloring these drawings. So step back in time with your markers and pencils to the elegant world of Edwardian and La Belle Epoque inspired fashions. All hand drawn with my old time dip pens and india ink. -Single sided drawings printed on medium weight white paper -Designs are suitable for markers (some pages will require a fine tip), colored pencils, and gel pens.

Customer Reviews

I have been waiting for the release of this book and I am not disappointed! This is not your ordinary adult coloring book. With each stroke of his pen, Chris' illustrations take me back to a different time. I never thought I would enjoy coloring "fashion" but one day I stepped out of my box and fell head over heels in love. The paper is createaspace quality but it works just fine with my various brands of pencils from cra-z-art to faber-castell to prisma. Yes, marker folks will deal with bleed through. But making these lovely ladies (and a couple of gentlemen) come alive is a LOT of fun! Well done, Chris Ousley! More please.

I see a new star on the adult coloring horizon with, Edwardian Fashion, by Chris Ousley. I first saw his work on Artist's Journal Workshop, on Facebook. As far as I have been able to determine, this coloring book is truly different from any other. In fact, it's the first one I've purchased, but I've seen many in the stores. I like this one because the illustrations are as artful as anything I've ever seen.

He has studied fine art as well as doing the research on the fashions of that day, and they are gorgeous. Another thing I like about Chris's work is the fact, that although the subjects are decorated beautiful the work on each one can go as fast or as slow as you wish because it is not overly complicated or busy. If you want to paint the pictures or use pastels, or any other medium, you can easily trace the pages onto the proper ground, or paper. Let's just make sure we always give artist Chris Ousley credit for his creativity and talent. I can hardly wait for his next book to come out. I've bought another copy of this one for a friend who is going through cancer therapy. I got us each a set of 12 Pentel colored pencils which are the perfect thing to take into waiting rooms. The colors will mix and variegate on the page to increase choices of color.

I love the styles and didn't even know I enjoyed coloring until I got this. My mate says: 'Mr. Ousley knows how to draw cute girls'. I can't argue with that. Anyone that loves fashion will appreciate the beautiful, detailed, illustrations in the book. Love this.

While I enjoyed most of the illustrations, the size and quality of the paper leave much to be desired. While the figures of the people are well drawn. the surrounding details are not defined, and are rather free form in the way they are drawn. So many of the coloring books today are being printed on very thin paper and are obviously done on a budget. I would have enjoyed this book more if I could have used water colors and mediums other than colored pencils. There are several pages of illustrations that are very small. I would only buy this for older children interested in fashions, or adults who enjoy period fashions.
