Customer Reviews

A 'feel good' book for any age. The detail of each character draws you in, even before color brings them to life. I'm a forever fan of this artist. Absolutely love this book.

Beautiful illustrations, that are very detailed. A lovely work of art that is fun to get immersed in. If you love adult coloring books you'll certainly enjoy this one.

My family loves coloring books. This coloring book is by far our favorite, there is so much detail in this book. We love the story that goes with it.

An extraordinarily creative and unique adult coloring book. It not only brings out the artist in you - it captivates your imagination.

This book is not only fun for me as an adult, but my kids enjoy the challenge of coloring in this book.
