# Any Fin Is Possible: My Big Fat Zombie Goldfish

## **Synopsis**

More hilarious adventures and zany illustrations in the after life of a zombie goldfish! When Tom rescued Frankie the goldfish from his older brother's evil science experiment by zapping him back to life with a battery, he never expected his pet to become a BIG FAT ZOMBIE GOLDFISH with incredible hypnotic powers . . . but he has to admit it's helpful, especially when they are thwarting his big brother's evil plans. Dodging booby traps, avoiding evil possibly-mummified kittens, discovering the truth behind the ancient Egyptian Curse at the local museum . . . it's all in a night's work for a zombie goldfish! Then, there's something fishy going on at sports day. Can Frankie help Pradeep and Tom to foil Mark's evil plans? Or will Mark and his pet vampire kitten, Fang, take home the gold? New York Times-bestselling author Mo O'Hara delivers more laugh-out-loud fun in this illustrated chapter book series.

## **Customer Reviews**

Frankie hypnotized coaches. Went inside a tomb . Also slaps Mark . Next he makes the track team! You should read My big zombie goldfish any fin is possible!

Bought this for my 9 yr. old grandson. He has all the others in the series and every time a new

book's released he wants it!

My daughter loves this series! She gets through the books fast, but she finds them funny and exciting.

Great series!! My 8 yo twins are laughing hysterically when reading this. Good for boys and girls!

Entertaining, fun book to read to my 6 yr old. He loves the series. We are on book #4.

My two sons did not care for this one. I guess three was enough for this series.
