# Race To The South Pole (Ranger In Time #4)

## Synopsis

Ranger, the time-traveling golden retriever with search-and-rescue training, joins an early twentieth-century expedition journeying from New Zealand to Antarctica. He befriends Jack Nin, the stowaway turned cabin boy of Captain Robert Falcon Scott's ship. They're racing against a rival explorer to reach the South Pole, but with unstable ice, killer whales, and raging blizzards, the journey turns into a race against time... and a struggle to stay alive.

## Customer Reviews

My 9-year-old daughter loves to read this series - she is a dog lover and can't get enough of these, she says it's her favorite because it is from the dog's point of view. Great stories with good messages.

My daughter is a 2nd grader and loves these Ranger in Time books. They are the perfect length chapter book for her - they aren't too short but aren't so long that she loses interest. She can't wait for the next book to be released.

I loved this story as much as my kids did! The drawings make Ranger look like such a brave and love able dog. My kids love him! We can't wait for the next book!

My son loves this series - he can't wait for the next one to come out!
