Customer Reviews

This is a small format coloring book with well over 100 pages of designs. The designs are all licensed from Shutterstock and only a few of them are Christian in nature. They also appear to have been much larger images that have been sized down to fit in this book. Because of this, many of the designs have very small elements for coloring. I found that I had to use gel pens and markers with small tips in order to color in these. For the sample photo I will post that I finished, I used Pilot Juice Ballpoint Gel Pens in size 0.38mm. I might have been able to use .5 for most but not all of the parts of this designs. The designs are printed on one side of cream colored paper. Bible verses are printed on the reverse of the page. The pages are fairly thin and somewhat smooth to the touch. Many of

the designs merge into the binding area. The binding is sewn rather than glued so you could remove several pages at a time without losing any portion of the design by simply snipping a few threads. The book, while small, is thick. It made it a little more difficult to work with (along with the tiny elements.) These two difficult areas of working with this book is why I gave it a four star rating. I decided not to try to finish this design quickly. Instead, I spend time after lunch for a couple of days coloring it. That way, I could also meditate on one of the verses each day as I colored. The Bible verses in the book are from a variety of translations, including: The Holy Bible, Contemporary English Version, The Holy Bible, English Standard Version, The Holy Bible New International Version NIV, the New King James Version, and The Holy Bible, New Living Translation.
