## Customer Reviews

This adult coloring book has beautiful coloring pages and inspirational sayings. I am moved to color and hang them up or to give the away as a "I am thinking of your" type expression. There is a range of how complicated the coloring designs are so it will expand from the novice to those more experienced. There are 35 pages in the book. The pages are thin so you would have to either use pencils or place a sheet between the pages if you use markers. The pages are not perforated, so tearing them out is not easy. The sayings used are: The World is Yours Believe In Yourself The Lord is my Shepard? Enjoy Every Moment Follow Your Dreams There is Power in the Name of Jesus Attitude
