Customer Reviews

• Letters to Live By • is a Christian coloring book which goes through the alphabet A to Z with a design for each letter and a design which focuses on a word beginning with that letter and which has a Bible verse and cite (both Old and New Testament.) The ten additional pages at the back include small monogram size letter designs and several postcard size designs as well. While the designs are licensed by Shutterstock, they are all new to me. The designs are detailed without being too intricate. I think it is a lovely book and one that I will be buying as gifts for family and friends this

holiday season as well as enjoying for myself right now. I plan on opening the book to a random page and then coloring both the letter designs and the associated page in tandem. I like to feel that I am being led to the pages that I need at a particular time when I am working with my Christian coloring books. There is always something I need to learn or to be reminded of on a daily basis. The scripture translations used in this coloring book are as follows: Holy Bible, New Living Translation, Holy Bible, New International Version NIV, Holy Bible, English Standard Version, Holy Bible, Contemporary English Version, and the New King James Version. This is what I have found while coloring in this book and testing my coloring medium on the paper. I will include a list of my coloring medium that I use for testing and coloring in the comments section below.

52 Full Size Letter and Letter Inspired Christian Designs plus 10 additional pages of designs
Printed one side of the page
Paper is heavyweight, white, somewhat smooth and perforated
Sewn Binding
Some Designs merge past the perforations and into the binding area.
