## Customer Reviews

I got this after taking a couple of years of icon classes. It has beautiful blackline drawings of several well known icons, and of several that are not as well known. These are excellent quality drawings, and could be immediately used as the foundation drawing to begin writing an icon. I am very impressed with this book.

This book is very educational and it's great for all ages. Coloring the icons serve to lift us to the prototypes and help to remember things that are of vital importance to us.

What a devine collection of icons to paint! Wholy Trinity and Christ the Redeemer are my most favorite icons! Coloring the icons takes you to deeper understanding of their spiritual meaning. It is meditative excoerience through which you feel God's limitless love!

Will consider using it in faith formation classes.
