Synopsis

A young mother, one of the many missing indigenous women, watches over her small daughter as she grows up without her nimama, experiencing important milestones - her first day of school, first dance, first date, wedding, first child - from afar. A free verse story of love, loss, and acceptance told in alternating voices. Missing Nimama shows the human side of a tragic set of circumstances. An afterword by the author provides a simple, age-appropriate context for young readers. Includes a glossary of Cree terms.
