## Customer Reviews

What more needs to be said. The calendars are lovely. They make you want to jump in and be part of the scenery. I've been picking them up for yrs.

I have always collected Thomas Kinkade's pictures..Just love to look at them all year around..

I have been buying these calendars for over 10 years, my husband bought me a frame with the calendar & I'm still using it. Large spaces to write in and a joy to look at as I pass by.

Been saving his calendars for 16 years now. Got this one early. Look the pictures and colors.

So, so pretty. Purchased for a gift and it is one I know my relative will love.
