# The Berenstain Bears Around The World (I Can Read Level 1)

## Synopsis

Travel the world in the Anywhere-Anyplace Machine with the Berenstain Bears in this lively addition to the classic New York Times bestselling series. From the plains of Africa to the Great Wall of China, there are more sights to see than points on a map! Beginning readers will love discovering fantastic new places alongside their favorite family of bears, complete with vivid and classic illustrations. The Berenstain Bears Around the World is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences.

## Customer Reviews

It was a very exciting book. Kids can learn about different countries from this book. The Berenstain Bears is starting to get more interesting and more 21st century. It's hard to believe they started out so simple, and now they're so modern.
