## Customer Reviews

I was able to read an early copy of this book and it is awesome. So awesome that I bought two copies to give away after it came out. It's the perfect rhyming book and the illustrations are great. I read it to a Kindergarten class and they chanted, "read it again, read it again" after I finished. It was the first time that had happened. I don't typically love rhyming books, but this one is perfect. The story just spills out and it never seems forced.

This book is colorful, spunky and SO-MUCH-FUN! It BEGS to be read aloud, using rumbling, grumbling voices, complete with sound effects! And when you finish, the kids clap and shout, "Again! Again!"

Great read aloud, a new favorite in our house! My son loves the sounds and pouring over all the cool monster trucks. Definitely add this one to your library!
