My T- Rex Gets A Bath: (Bedtime Story About A Boy And His Pet Dinosaur, Picture Books, Preschool Books, Ages 3-8, Baby Books, Kids Book)

Synopsis

My T- Rex Gets a Bath Tom has a funny pet dinosaur, but there is one big problem. Rex doesn't take a bath, doesn't brush his teeth and ruins boy's pajama. The dinosaur hides in his room and everyone thinks that it's a boy's fault. Our hero is a delightfully headstrong boy, who will not take the blame for someone else's bad behavior! "It's time to teach Rex that hygiene is fun, It's good to get clean when the day is done." He pulled Rex out from under the bed. "I have a great new game," he said. Full-color professional illustrations with funny scenes Simple everyday lessons in an easy to understand manner Perfect bedtime rhyming lines that keep your kids interested Here's what readers are already saying about the colorful, funny and valuable book: "It was playful and the twist of Tom teaching Rex was a surprise. As a mom, I would have liked something said about cleaning up the mess. All in all, I loved it. I saw the two of them playing; the rhythm is good." -- Janis "It has great rhythm, very easy to read, flows well and is a really sweet story for kids encouraging hygiene." --Emily . "Very cute story;) We loved the bedtime reading while learning;) The illustrations are awesome!" -- Angela You and your children are going to love this book. I really liked the way this book is set out. The first section had all the information about Dinosaur and was well presented in language even a young child would understand. The second half was beautifully illustrated which would appeal to any child who is fascinated by dinosaurs. This book is fun and it has good moral lesson that young kids can learn. I highly recommend this book!

What I really like about on this book is the colorful pictures of the little Tom and his dinasaur friend Rex. This book is all about hygiene which is a really great read for your children who are lazy to brush their teeth and take a bath. This is the best book to read for your kids before bed so they will learn the importance of being clean. I am glad I purchased this book...

Do you enjoy your baths? Do you have a friend who takes a bath with you? The author, Chloe Sander's, has written a fun book about a little boy, Tom and his friend T-Rex. They were out playing all day when mom called them in to take a bath and get ready for bed. T-Rex dud not think having a bath was fun, and he jumped out of the bath and hot Tom's pajamas all wet, and he made a mess with the toothpaste squirting it on everything. Tom realized what a mess T-Rex had made and decided to show T-Rex that a bath could be fun. When you read this book, you will discover the fun that Tom showed T-Rex. Parents and other adults will enjoy reading this book to their children. This is a fun story with lessons to be learned. The illustrations are bright, vivid and colorful, and they depict the stories of T-Rex and Tom. A fun book with lessons to be learned is a real treat for parents and children. My kids love this book so much not only he enjoy the story but also the character are lovable and also i like the book for him because it teach great lesson in life for a little kids like how to be clean!

This is an excellent read for early readers. This story is easy to read and very interesting. The plot were cute and the characters in the stories are easy to relate to. It's a recommended book for all parents to read this story to their children before they go to sleep.

This book is a great bedtime story! It is a very fun and entertaining story for kids. The story was very interesting and The pictures were nice and very well illustrated. This book has a beautiful message and has a wonderful life lesson. A great read for all children.

For kids when it comes to something as fundamental as reading, it may be hard to adjust or change what you know already. If you are one of those people that have no problem with these new techniques, and you've already mastered them, then that is amazing, and good for you. But most of us aren't in that category. So here is a pacing guide to help you deal with frustration when adapting and changing your reading style.

Itâ™s cute and super adorable. I canâ™t wait for my nephew and niece to explore this material. Itâ™s very attractive, I mean the picture itself is very much child friendly. All of the stories in here will definitely enjoy all the children out there specially my nephew and niece. A book that Dinosaur, for young ones who loves to read, no wonder this book is highly appreciated and rated.
