The ArcGIS Imagery Book: New View. New Vision.

Synopsis

Explore how imagery and remote sensing power modern GIS. With The ArcGIS Imagery Book, you will roll up your sleeves and quickly begin putting imagery to smarter, more skillful use with your GIS. Even armchair geographers will appreciate this book and its electronic companion www.thearcgisimagerybook.com for the wealth of gorgeous, inspiring, and occasionally troubling images and links to powerful web apps and maps that weave interesting stories about our planet and the issues we face. Appropriate for those very familiar with geographic information systems and those who have never heard of the term.
