Customer Reviews

Great coloring book for my granddaughter who is crazy about cats! Lots of quality illustrations with some activities thrown in. The pages are nice and heavy, and hold up to markers with no bleed through. Will purchase more in this series.

Super cute coloiring book! Love that the pages are not your typical brown newsprint style that you normally find in coloring books! The pages are thick and white and crisp! She can color with crayons or markers :)

My four year old daughter loves it! The pictures in it are very cute and unique. Great buy!
