Not A Fan Updated And Expanded: Becoming A Completely Committed Follower Of Jesus

Synopsis

This expanded and updated version of Not a Fan adds a new introduction and an entirely new chapter about how to practically live out the message of this mega bestseller. Are you a follower of Jesus? Don't answer too quickly. In fact, you may want to read this book before you answer at all. Consider it a "Define the Relationship" conversation to determine exactly where you stand. You may indeed be a passionate, fully devoted follower of Jesus. Or, you may be just a fan who admires Jesus but isn't ready to let him cramp your style. Then again, maybe you're not into Jesus, period. In any case, don't take the question "Are you a follower of Jesus?" lightly. Some people don't know what they've said yes to and other people don't realize what they've said no to, says Pastor Kyle Idleman. But Jesus is ready to clearly define the relationship he wants with his followers. Not a Fan calls you to consider the demands and rewards of being a true disciple. With frankness sprinkled with humor, Idleman invites you to live the way Jesus lived, love the way he loved, pray the way he prayed, and never give up living for the One who gave his all for you.

Warning: Don't open this book unless you are ready for a real, honest, eye-opening challenge. Maybe you are ready to shake up the status quo and live a radical Jesus life. Far too many of us are true believers, but we are living as "fans" of Christianity, settling for less than living the life of a committed Jesus-follower. Is Jesus my lifestyle? Am I merely an enthusiastic admirer rather than an active participant? This book helps us to Define the Relationship. Then we can move forward from

whatever starting point we're at today. This updated version has an added chapter, and an updated intro.

Excellent challenge to all who call themselves believers in Christ. There are a few places I think he overstates his case to make a point and sometimes even contradicts other statements he made around those very same points, but overall the book is well worth reading and I'd highly recommend it.

This book can really open your eyes to what it means to follow Jesus. Would recommend it to all who believe on the Lord. I never realized what a lazy Christian I have become....it will truly motivate you to follow Him.

Kyle makes many great points. So many people in today's churches are fans and not committed Christians. Commitment does require more than showing up it requires dying daily to self. This is an excellent book and the concepts are easy to understand see the love of Jesus through this book and new understanding.

Thank you so much for this book. I am a Fan of "Not A Fan". It is not good to take all the things that we have learned over time and through tradition as Absolute Truth. This book will help you "clean your Spiritual Glasses" so that you can know the difference between things that are Life and Death to your Heart. God bless you.

Great book upon which to base a Bible Study. Do you feel you are a Christ-follower? Idleman asks questions and uses scripture that, together, makes one stop and take an inventory...am I on the narrow path or the way that is wide? Am I really following Jesus where he leads, when he tells me, and without hesitation? Are these things important? It comes down to a simple question. Do I have skin in the game or am I just a fan? While study guides are available, we developed our own covering one chapter each week. There is even a study plan involving segments of movie built to work with the book. With other online videos by Idleman readily available as well as unrelated supplemental videos that fit the lessons, this book proved to be a great tool leading each of us to evaluate our walk with our Lord.

As a Christian I thought my salvation decision and serving in ministry was what Christ had called me

to do. This book has opened my eyes, and especially my heart, to see what it truly means to be a Christian and that is to be a committed follower in every area of my life!!

This book really challenged me as a real fan of certain sports teams. I learned that being a follower is far more important and difficult. I am proud to be a follower of Jesus and pray that my family would say the same of me.
