Customer Reviews

Great size. Good quality. Gift for my husband and he loves it. The price wasn't bad either as usually these are being sold at prices that remind me of why Jesus was turning over tables.

This Bible is great! Perfect for putting in my backpack or reading it in bed with one hand (like holding a novel). The cover has a really nice feel, and for the price, I'm impressed. Please see attached photos. They are much more true to the real color of the faux leather than the official item photo - it's more on the pinkish/cherrywood color than their photo which shows it more as a brown.The print is very small, so be aware of this. I mean, it has to be in order to fit the whole Bible into a compact form. The pages are thicker than I expected - I use a gel-ink pen to underline and write in margins. You can still see it through the page, but not as bad as I thought (see photos).As far as the ESV translation goes, I love it. It reads smoothly in our modern English language, while preserving the accuracy of God's word.

The Good:1. It's stylish2. Feels pretty premium in the hand3. ESV translation is very easy to understand4. Very easy to handle, it's actually about the height of a high end smartphone5. Very inexpensiveThe Bad:1. Does not have a marker ribbon2. Jesus' words are not in red3. Text is very small, between a 6-7 point font but is pretty standard sized for compact bibles.4. The pages are very thin so text from previous pages can be seen. It's creates kind of a ghosting effect.Overall, this is a great bible. It didn't have all the things I wish it had, but for $10, it's definitely worth it.

Great size for traveling or carrying along to meetings. Cover material is nicer than expected. Font it's small but for use at less frequent times it it's fine.
