## **Customer Reviews**

I sent one to a friend in prison and I also got one for myself. Paper is a little thin and can see through to the next page but it's not a big deal to me. A nice bible to carry with me everywhere I go :)

This is one of the nicest Bibles I've ever purchased. It is exactly what I've been looking for. The thumb tabs remind me of being young with my parents at church. The nice leather feeling gives it a nice slap feeling, so when you are preaching you can slap the back of it and it sounds so pure and natural. I'm not a preacher, but I like to talk sometimes to my wife about the Bible, and slapping the back off this beauty while declaring the Word of God will be a fun occasion. This Bible feels right in your hands. The font size is perfect, I was worried it would be too small.

I have had a few Bible's over the years, but this is by far my favorite! Its slick, nice color, flexible and sturdy imitation leather. The thumb indicators are also helpful for the times where I forget where a book is located. I love the way the KJV Bible reads. A bonus that most KJV Bibles do not have that this one does, is that there are subheadings within the text which helps when you are looking for a certain story or topic. Although you can just "google" what you want, I find it more personal and interesting to look through the Good Book. Red words denote the speaking of Christ. Highly recommended.

A great Bible, leather, light weight, clear print. Checked with this website to see if the words are the real KJB at <http://www.biblebelievers.com/believers-org/counterfeit-kjv.html>, all the words are correct. The only strange part is that the book of john, luke, mark... all written as saint john, saint luke, saint mark....

Finally I found the perfect bible. Although not hard cover. Very good quality. With book name tags at side. Highly recommended

Most beautiful Bible I've ever owned! I absolutely love it!! Perfect :)

This is so beautiful! By far my favorite out of the 14 Bibles I own. I am even following the one-year reading plan in the back.

very easy to read. fits my small hands and easy to hold.
