## Customer Reviews

I received this product free in exchange for a fair and honest review. My planner arrived quickly and in good shape. It measures 4.75 x 7 inches and is bound in a hard cover with gold foil accents. There is a purple satin ribbon to mark your current page, and the whole thing fastens shut with a purple elastic cord. There are mini calendars in the front of the book- one for 2017, one for 2018. These are followed by 16 months (Sept. 2016 - Dec. 2017) broken into week long increments- Monday-Sunday on each 2 page spread. Each week features a small picture to color, as well as a

section for each day. After the calendar, there is a 7 page address/contact information section, as well as 10 pages of note paper(there are a few more pictures to color here too). Overall, this is a nicely made planner with fun interactive elements. I did detract a star because I would have preferred a bit more space on each day, as well as more pages for notes and list making. Otherwise, I'm extremely happy with it and plan to use it regularly. I like the coloring aspect and look forward to making it my own. I would definitely recommend this product.

I was hoping for a monthly calendar as well but this works, I like it none the less it's sturdy and I'm sure it will last me all the year.

The book is cute and there is plenty of space to write information down. My only wish is that there were more pictures to color.
